Annexure - Classification as Special Mention Account (SMA) and Non-Performing Asset (NPA)

With reference to the RBI circular no. RBI/2021-2022/125 DOR.STR.REC.68/21.04.048/2021-22 on 'Prudential norms on Income Recognition, Asset Classification and Provisioning, pertaining to Advances – Clarifications' dated 12th November, 2021, the following table explaining the Special Mention Account (SMA) and Non-Performing Asset (NPA) classification may kindly be noted.

Loans other than revolving facilities		Loans in the nature of revolving facilities like cash credit/overdraft	
SMA	Basis for classification – Principal or interest payment or any other amount wholly or partly overdue	SMA	Basis for classification – Outstanding balance remains continuously in excess of the sanctioned limit or drawing power, whichever is lower, for a period of:
SMA-0	Upto 30 days	-	-
SMA-1	More than 30 days and upto 60 days	SMA-1	More than 30 days and upto 60 days
SMA-2	More than 60 days and upto 90 days	SMA-2	More than 60 days and upto 90 days
NPA	More than 90 days	NPA	More than 90 days

An illustration/example of SMA/NPA classification for ease of understanding is as follows:

Mr. X has taken a loan of Rs.10 lakhs for 36 months and the due date of instalment payment is April 05, 2021.

- SMA 0 - If Mr. X does not pay the dues wholly (dues defined as - principal, interest, charges or any other amount due) to ABCL by the day end on April 05, 2021 then the loan account becomes overdue on same date i.e. April 05, 2021 end of day and shall be tagged as “Overdue” and “SMA-0”.

- SMA 1 – If Mr. X does not pay the dues wholly and the loan account continues to remain overdue the loan account shall be tagged as SMA-1 on May 05, 2021 i.e. upon completion of 30 days of being continuously overdue.

- SMA 2 - If Mr. X does not pay the dues wholly and the account still continues to remain overdue, it shall be tagged as SMA-2 on June 04, 2021 i.e. upon completion of 60 days of being continuously overdue.

- NPA - Further if Mr. X still does not clear the dues wholly as stated above, the loan shall be classified as Non-Performing Asset (NPA) on

July 04, 2021 i.e. upon completion of 90 days of being continuously overdue.

The above illustration is also applicable for revolving facilities where either outstanding balance remains continuously in excess of the sanctioned limit /drawing power or interest is overdue and not paid on due dates.

It may be noted that any overdue loan account classified as SMA/NPA will have an impact on the Credit Bureau Score of the Borrower.

IMPORTANCE OF FOLLOWING REPAYMENT SCHEDULE

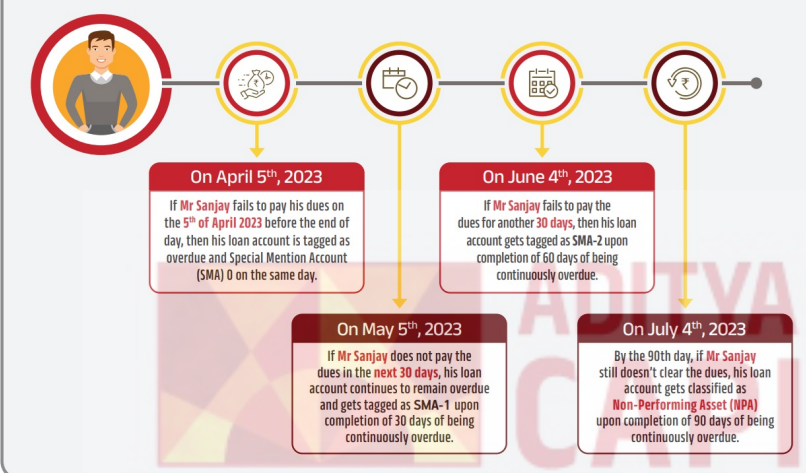

The repayment schedule/payment advice that you receive while taking a loan from ABCL is a document that helps you to know the dates when you are required to pay interest, principal and other charges if any, to ABCL for the loan availed and helps you to manage your loan account efficiently and meet the obligations in a timely manner.

Here's what happens to your loan account if you miss paying your dues on time.

Basis the number of days your dues (dues means instalment of principal, interest and other charges if any) remain unpaid and overdue, your loan account gets classified into various categories. These categories influence your Credit Bureau Score, which may further affect your borrowing capacity in future.

Example

Suppose **Mr Sanjay** has taken a loan of Rs.10 lakhs for 36 months and the due date to pay is 5th of every month and say his next due date for payment is April 05, 2023.

The above illustration is also applicable for revolving facilities where either outstanding balance remains continuously in excess of the sanctioned limit /drawing power whichever is less or interest is overdue and not paid on due dates.
